SYDNEY HARBOUR ISLAND HOPPER - Daily

Includes: Return ferry from Circular Quay or Darling Harbour including 1 stop at Shark Island and 1 stop at Fort Denison in any order. Includes National Park fee for both islands.

Shark Island is a popular picnic destination for Sydneysiders and visitors alike. The island is part of the Sydney Harbour National Park and offers spectacular views, large grassy areas, shady trees, a small beach area and picnic shelters.

Fort Denison: Situated in the middle of Sydney Harbour, Fort Denison has a fascinating history and is an amazing lunch venue with stunning harbour views from the island Cafe. Fort Denison has seen it all – the development of the city of Sydney, Japanese submarine invasion and the building of both the Harbour Bridge and Opera House just metres away. It was even hit by friendly fire during WWII. The island provides visitors a fascinating link with Sydney's convict past and is part of the Sydney Harbour National Park. The Martello Tower was completed in 1857 and the island was named Fort Denison in 1862 after the governor, William Denison. Its tower is one of only two surviving Martello Towers in the Southern hemisphere. The Fort gun is fired at 1pm daily.
